A Brief Overview of SDL Trados Studio and Marketing for Translation Industry . Going Above and Beyond by Anna Markova February 18, 2015 - Reading time: 3 min. At present, it may seem that the translation industry is basically a large and well-organized industry. But there are a few things that can make translation as a profession seem like chaos. As in many other industries, translators have to deal with translation marketing, which they must be sold to in order to translate their work. In this guide, I will try to explain how marketing translates your services as an interpreter.
