We try to publish all of the software we receive, regardless of the company's size or reputation. You can click on any of the links below for more information around If you have any more questions, please feel free to contact us. ReFox: The UltimateFreewareDownload Manager: 16:13 Before you do anything, please read the following: 1. This is a Freeware only release, it's not a product. 2. Modification of any EXE or MSI packages can render the original package inoperative, or cause unwanted and often harmful side-effects. Do not do anything that might possibly harm you. 3. You do not have to have any money to use any of the sites to download free Freeware. That said, you do not have to pay for the Free Software if you so choose. If you are planning to try it, work it out properly, if you don't like it then just plain uninstall it. 4. In fact, it's your plain and understandable responsibility to test all Free Software packages, including this one before actually using it. If you do not agree with the above then you are welcome to cancel your subscription after you have been charged.
