System Requirements:

Currency: Dwarf Fortress Wiki is ad-free, and mainly supported by selling in-game currency (Skins) and donations. If you enjoy editing, writing articles, or even just spending time on the wiki, consider donating to keep it running. The currency is used to purchase cosmetic and gameplay-related items for the game. There are two different kinds of currency: Trade tokens, which you can exchange for items using a Trade House, and Sugar, which you can exchange for Sugar cookies (cookies that taste like money) at the Sugar
