Windows 10 Enterprise LTSC 2019 X64 ESD MULTi-{Gen2}.Star Wars' Alden Ehrenreich and John Boyega scoop up trophies at the People's Choice Awards The 2017 People's Choice Awards kicked off Sunday night (March 5) in Los Angeles with some sweeping Star Wars wins. New Hanover native Alden Ehrenreich, who plays conflicted emo Finn in the hit sci-fi franchise, took home the Best Male Performance - Action/Thriller Movie award, while his Star Wars colleagues John Boyega and Daisy Ridley won the Best Romance Movie and Supporting Female - Comedy and Musical categories. Alden's Pops was a big winner in Hollywood as well; Sidney Poitier and Shirley Chisholm were honored as the Favorite TV Actor and Actress of the Day. Poitier beat out Antonio Banderas and his Agatha Christie-themed TV drama "Murder in the First" for the Best TV Actor of the Day honor, while Chisholm edged out the likes of Angela Bassett, Tracee Ellis Ross, and Amy Schumer to win Favorite TV Actress of the Day. Sofia Vergara and her friends celebrated one of her favorite days of the year, Mother's Day. "Happy Mother's Day to all my babies & to my mom @ShondaRhimes! #mothersday #motherson2mothersday #mothersonwednesday," she wrote on the social media app. Daisy, John and Harrison Ford were just some of the stars on the red carpet at the 2.6-million-dollar palatial Chateau Marmont, which belonged to Dorothy Chandler, a cosmetics heiress who first purchased the palatial mansion back in 1922. Harrison, along with his children, was there to support his wife, who is making her directorial debut with the WWII thriller "Dark Waters." Ridley and Boyega (a.k.a. Finn and Rose) hit the red carpet together. They were joined by their friends and family, including Ridley's man John Boyega and his daughters. Ridley previously won two Envelope Design Awards: one for her ensemble in the first 0cc13bf012

After a short stint of teaching English in Taiwan, and being daunted by the prospect of dealing with the math and statistics required to form even a basic LSD set, I decided to start exploring re… With the French and Hong Kong scenes blossoming stronger than ever, I decided it was time to make a move. After a short stint of teaching English in Taiwan, and being daunted by the prospect of dealing with the math and statistics required to form even a basic LSD set, I decided to start exploring the world of RSD. I started by volunteering for 5-hour rides and became an active member of the French re:cetra community, even founding a local re:cetra Discord server for French players. With growing experience with the community, I

eventually became an active member on the French forums when they were up-and-running. My experience with the French community allowed me to write one of the most popular guides for RSD, and make a name for myself in the French RSD scene. More importantly, it gave me the opportunity to meet a lot of talented people in the French re:cetra community, which I like to think is a testament to my personal skills in helping to make re:cetra shine. Although the RSD forums were useful as a means to meet players and learn about RSD, I still spent most of my time interacting with people in forums from other LSD countries. Like many, I wasn't completely sure of RSD's future, and I still felt isolated from many of the players in other countries (most of whom spoke English). The
