It's been five years since the Marvel Heroes event took down Trigon and brought together a rag-tag group of heroes. Now a new threat has arisen that the entire team must band together to stop. Based on the renowned Marvel comic book characters and set in a beautiful 3D universe, Marvel Heroes Omega is the next generation of Free-to-Play Heroes MMO. Players will explore a massive world, fight epic battles, unite with other players in cooperative PvE encounters, and team up with their favorite Marvel heroes in the ultimate battle against evil. Use the game mechanics of combat to your advantage. Learn and master the nuances of countless special moves and combos as you add new heroes and characters to your roster. Choose from different play styles that suit your playing style - whether you prefer close combat or long-range attacks. Each hero has their own unique play style and combat style, so everyone can find their perfect fit. In addition to the game's comprehensive tutorial and automatic mode that guides new players through the basics, you can also use the Hero Training mode to level up your chosen hero's skills, as well as unlock new moves and combos. Features: Play as your favorite Marvel heroes. Players will dive into the in-depth RPG experience of helping the Marvel heroes take on the evil forces that have surfaced. Drive and pilot massive vehicles to outrun and overtake the enemy. In this vehicle combat-focused game, players can drive on multiple courses to outmaneuver and outrun their opponents. No matter where the event will put them, players can take part in the exciting action and experience the thrill of racing. Take part in team missions and co-op PvE events to expand your hero's talents and level up characters. Team up with other players from around the world to take down the bad guys and save the day. Battle the ultimate villains, Trigon and Nightmare, and their army of monsters. Defeat Trigon's forces and stop the invasion of Nightmare's creatures in a war-torn world. Chase and battle through a world of adventure as players encounter dynamic, interactive environments, larger-than-life monsters, and unique bosses. Unlock and customize multiple specializations for each hero to suit their style of play. Choose from a variety of character class specializations, including combat, healing, social, combat, and dual specializations, to find the best fit for you. Choose from one of four specializations to unlock extra abilities for

Features Key:

- It's a break from daily grind of work, studies, exams. On a warm summer day you can spend a quiet time in an all-star game that offers great fun and challenging the experience of classical gambling.

Choose between Adventure, Arcade, Chase and Space modes in the main menu. Head into the "Adventure" mode and experience all kinds of sensational thrills. You can jump into the Carousel and spin around as fast as you can, play on the Dodgem in the Great Circus or on the Sea of Terror with its whirlpools and killer sharks. If you feel like being more active, you can also take part in the Arcade mode and try to achieve the highest score possible. Move your racers faster and faster and make your way to victory! In the "Chase" and "Space" mode sections, you can complete numerous challenges and be the first to attain the best high score. The "Space" mode is more about speed than shooting: what with its ability to boost, you'll be zooming around the track at super speed. In the "Chase" mode, simply run along, bump into obstacles and don't let your pursuer get the better of you. And let's not forget about the "Arcade" mode where you can simply enjoy the 2D animated scenes on the big screen! Tower of Doom The Tower of Doom is a 40 metre tall structure that takes place in the city. You will be able to climb up the Tower in pairs or in teams. The team with the highest score, which will be displayed on the score board, will climb to the top. You will be able to enjoy all kinds of thrilling moments as you climb. Once at the top, your comrades will need to pass the finish line in order for you to win. Pauper's Circus The Pauper's Circus is an indoor amusement park with a huge number of mechanical rides. On this ride, you can board the Great Circolo, the Ferris Wheel and much more. Remember to watch out for the deadly vicious bumpers! Cyclist's Alley The cyclist's alley is a street where you can drive your chopper down as fast as you can. In the alley, you will encounter many players riding their choppers at super-speed. What's more, you will encounter various obstacles such as potholes, truck loads of stuff or an occasional ramp! Waterworks Here, you can take a boat to the deepest depths of the oceans. The nice thing is that you can also have a dive or enjoy the flight! The most important thing, however, is not to get lost when you leave
