Item Founded on Eclectic Design I'm a huge fan of sci-fi and fantasy, particularly horror/dark fantasy/fantasy horror (the Devil's Brigade, Alien, the works of H.P. Lovecraft, The Thing, Castle In The Sky, The Monster Squad) I love the sense of danger, horror, and the unknown in fantasy, and how stories of this kind introduce me to a whole other world. I really like playing roleplaying games too, because I love the freedom to explore, the roleplaying, and the overall story together with my friends. I like games that focus on generating drama and interaction. I love RPGs where there is a good story arc. I love

THIS IS AN EDITION OF THE RING THAT IS DEDICATED TO THREE KNIGHTS. THE PLOT FOR THE RING THAT WILL SET THE STAGE FOR THE UNIFICATION OF THE KNIGHTS IS CONTINUING. • Elden Knight and Elden Lord Edi are in love. These twin brothers. Both have appeared in the battlefields and dungeons of the lands after saving people. • However, their pasts are still unknown to each other. They are doubtful of one another, but every day, they feel a new desire to protect each other. • The third is Edward I. He is the son of Edi. But he is also the master of several weapons, two knights, and four soldiers. We're planning to bring a new Elden Ring soon after the release of Fire Emblem Online. However, if all goes well, we will bring it to Fire Emblem Online before it.

This is not one of the Chapter which can be opened with 150 AP. Please unlock the story of the other stories on the wiki to experience all the charms of the **Elden Ring game here before it.**
