Features Key:

A world at the cusp of the boundaries of life and death.

A distinctive and unique story in which the player's actions are driven by their personal history and feelings toward their Lord, and the role that they choose for themselves is the driver for change.

An open world where the player can freely control their character, where every world is different and a mystery.

City politics, moody NPCs, and dramatic confrontations, where your actions not only impact your own character, but also those around you.

Sudden reminders of your destiny (with nothing dull, predictable, or linear), a world where your actions and experience alter your journey.

A deep, three-dimensional combat system, where the battle plays out with multiple phases, techniques and approaches where decisions and a sense of strategy must be made carefully.

A rich combative combat system that lets you enjoy the thrill of your sword and spear fighting in real time.

Shared character progression, where you can virtually tailor your character, equip them with the perfect pieces of equipment, and learn new skills at your leisure.

A unique, action RPG atmosphere enhanced by exhilarating combat that plays back in real time.

Innovative Elden Ring growth system, where powerful bonded weapons increase your wisdom to apply the full power of the arcane in battle.

Built in the cloud, online play that lets you generate new cities and adventures while playing with the seamless online feature.

Gorgeous hand-drawn art created by the virtual studio "90° KINGDOM".

Ear-ripping soundtrack by the virtual studio "Vicarious Visions" and Kiyoe Yoshikawa ("Super Robot Wars 2"),
