Don't forget to deliver the courage of the Elden Ring on your journey! ABOUT THE MOON KNIGHT INC Konami Digital Entertainment, a leading manufacturer of digital entertainment content, today announces Moon Knight Legend for the Nintendo Switch in development. The company also announced that the game will go under production for the PC via Steam in the spring of 2020. "Konami is developing Moon Knight Legend for a number of platforms, and a simultaneous release plan is currently being prepared. We are going to do our utmost to release the game for all the platform when we are able to support them with the utmost quality," said Yosuke Hayashi, Manager, Digital Games Operations (North America), Konami Digital Entertainment. In Moon Knight Legend, you, a brave Knight, must rescue the princess, fight against the powerful Elen Ring, and aid the Goddesses in their struggle to free the Lands Between. You can climb colossal heights of a fantastic world with an extensive playable area called the Last Peak, and engage in intense turn-based battles against an overwhelming number of powerful foes! ABOUT MOON KNIGHT In Moon Knight Legend, the story for the first Moon Knight title based on Marvel's "Moon Knight" character, you play as Marc Spector, a rogue Moon Knight with a sharp sense of justice. He longs for a world where people could express themselves freely and live in peace, no matter what their color, race or creed. When he finds out his city is under threat from the most powerful being in the world: the Elen Ring, he accepts the offer of his friend to enter the "Lands Between" and kick-start a campaign to topple them. Encountered with the powerful Elen Ring and his allies, Spector must overcome a variety of trials and monsters to save his city. While journeying through the large world, Spector can freely move around and summon allies and monsters, such

The new world of Elden should be born from the dramatic events that swept through the world at the end of the 5th century. A tragedy that was born long ago and will last for generations: as humanity suffered a devastating calamity, the world was plunged into a nightmarish era of darkness, despair, and ruin. However, with the light given to them by the Shepherds, humanity begun to rebuild. Humanity who returned to their olden roots of truth and science - and their blood-stained battlefields turned to lush orchards, abundant farms, and clean beaches. Those events sparked a war to define the meaning of what life is. The war that will decide the future of the world: between light and darkness. Those are the words of the world's collapse, and the fact that the world is upside down. Those who survived the war are on the offensive. They are thrust into an unknown world, a huge land full of shadows, and an ancient, fearsome evil. As the world's bright hope, the Elden are in a position to decide the future of the world. In this world where the idea of good and evil clash, enter the world of Elden. Elden: A Fantasy World, Welcome to the New World. Tarnished · YOUR LEADER (Seaside: The Mysterious Death) Tarnished is a professional fighter who entered the fields of battle because he wants to fight. He is well-loved and known by the people of the Lands Between, but he is also on the verge of being sent to a death sentence. He and the people who live in the Lands Between have long awaited this day. How do you fight a battle to decide your own fate? The fate of the country's future of the world rests in your hands. The Lands Between: The Lands Between is a world in which the young shine brightly, where all members of the family work hard and hold their dreams, and the people who return from a long absence now will rejoice in the joy of reunions. However, many in the world of Elden are unable to enjoy these times. Some of those people are the Elden, those who have fallen into the darkness and are continuously being hunted by shadows and monsters. The Lands Between serves as their refuge. A perilous, dark, mysterious land. The

Currently working on the final chapter of "A new Elder Scroll MMO", we just launched the first of ten fantastic PS3 games: The Elder Scrolls Online: Tamriel Unlimited. In this new and fresh MMORPG on the horizon, you can choose from hundreds of skills and advance your character through 30 skills per level. There are also no experience caps, so there are no limits in player advancement.

As an Elder Scrolls, Overworld and RPG-fan, I fell in love with the game's world right away and I'm already imagining myself as an adventurer in the epic world of Tamriel - and become one of the biggest characters in the game. Being able to play as a different class through temporary switching or starting a new character after killing all of my loyal followers feels great. With 26 hours of playtime, I'm hoping to uncover the secrets and potential in Tamriel and join several clans.
