5 Parallel Quests Revel in the cinematic cutscenes created by Akira Toriyama himself. Explore a world where the Dragon Balls don't work, and which are void of any trace of the Dragon Zonzon. Discover and learn the secrets behind the disappearance of the Zonzon through parallel quests, master missions, PSI fighting techniques, mastery of new skills and even an original story. Dragon Ball Z: Resurrection 'F' pack includes: The start of the parallel quest story Gin and Jian Goku's mission Lio and Lei's mission 17 playable characters (9 new characters and 8 previous DLC characters) New moves New PSI attacks New skills and new special moves 5 Parallel Quests are included in this pack: The start of the parallel quest story Golden Frieza SSGSS Vegeta SSGSS Goku Jaco 2 Masters are included in this pack: Gin and Jian 17 playable characters (9 new characters and 8 previous DLC characters) 4 masters quests are included: Lio and Lei's mission Goku's mission Gin and Jian Dragon Ball Z: Resurrection 'F' will release on January 24th, 2019 for PlayStation®4 computer entertainment system and Xbox One X. Gameplay & Features In celebration of the 20th anniversary of the release of Dragon Ball Z: Resurrection "F", Bandai Namco Entertainment presents an extensive experience for fans and new players. In the current world where "F" is void of the Dragon Balls and the character "F" has disappeared, we offer all fans an option to play the greatest series of Dragon Ball Z in a completely new and original way. Players will be able to relive the adventures of Goku and his friends with the most famous Universe 11, the Dragon Ball Z GT Anime, the original soundtrack, complete dialogue subtitles in Spanish, French, Italian, German and English languages, and much more! The Universe 11 has a complete new story, which can be played with up to 4 characters. Each character will have their own special moves, special attacks, PSI attacks, and poses, but you will also have the chance to customise them to play like Goku or Vegeta. Everything in the Universe 11's story was inspired directly by the anime of Dragon Ball Z - the parallel quests, the missions,
