We, the Castelia City Elden Ring Free Download Team, have been collaborating on the new fantasy action RPG, Tarnished, since the beta version was released in late June. We are now ready to reveal to the world the latest development stage of Tarnished! Please help us celebrate by spreading the word about Tarnished. - New game feature! If you get the Tarnished teaser during your first time login, you can now select a new character in the character selection menu. - New Forest Rematch! If you search for a Tarnished character in the gallery, the option to battle in a Forest Rematch is now included. - Top 10 list! Tarnished characters on the gallery now appear in the Top 10 list, making it easier to search for them. - New server! We have deployed a new server to better promote Tarnished to the worldwide community! - New vendor! The materials used to produce the Crest of a Tarnished character is now made available in the New Vendor. - New costumes! You can now choose a costume for your character to directly make your appearance change. - New weapon! If you combine the Riftblade with the Ashtorium, a Gaguik Cannon will be made available to you! - New Bokeh! The camera now has an increased Bokeh effect. - New treasure table! The treasure table has been changed from a 0.5x0.5x0.5 map to a 0.5x1.0x1.0 map! - Blacksmith! You can now use your experience to craft new items at the Blacksmith. - New mission! You can now choose a mission to gain experience points. - 100 new cards! If you have the Chaos Robes set in the gallery, you can obtain 100 new cards. - New character portrait! If you have the Chaos Robes set in the gallery, you can now select a different portrait for your character. Elden Ring Features Key:

An Old Mist-Traveling Story: A Tale of an Elden Lord, Awakening Alive! The fantasy RPG follows a story of an old mist-traveling only Elden Lords who return alive from the afterlife to revive the undead.

Unique graphics with 3D Depth: The most interesting dungeon architecture in the form of branching paths. A vast open field with dramatic narrow hallways. A multitude of wings and a thick roof.

Visually beautiful scenery: An oversize 2D character class with retro charm. The sound design appropriates to the game's setting to provide rich auditory sensations.

Rise, Tarnished: The world of the Elden Ring unfolds as you develop your character, which consists of 2 parts, body and soul. The development process of the tattered souls is tracked, and the resurrecting techniques are constantly found out.

A vast world where open fields, thick forest, and a dungeon are seamlessly interwoven: The approachable world has a wide open area with an abundance of farmland and dense mountains. It's full of dramatic scenery. Dungeon and town settings and architecture are all unique.

Create your own character: Freely interact with the game's character system. Customize the appearance, equipment and skills that you equip, and think like a new person through deep thinking.

Character development based on your play style: Class-based character development that is free of standard stat flows. Attribute balance is kept in mind, and while the amount of basic attributes differs, the distribution is adjusted to achieve synergistic interactions.

Move in various manners across the vast fields, intricate hallway, and dungeon: A variety of manners for you to move across the world, such as flight on the air, and locomotion on land, in addition to movement in the dungeon with equipment.

Visually challenging action RPG: Featuring visually rich and diverse battle fields. Still a large part of the action RPG, such as the rope-dangling main attacks are also supported.

“A recent addition to the new indie RPG wave is Lords of the Fallen: the game that tries to mix isometric, RPG, and FPS elements. While the gameplay is very old, it looks absolutely astounding. You’ll need a powerful PC to play the game, but you shouldn’t worry about the graphical quality, because the game’s textures and backgrounds will give you goosebumps. It’s a great RPG with a great story, great characters, and a nice sense of history and progression.” “Lords of the Fallen” is one of the most visually impressive game in recent years. The visual feast shows when you play it. The presentation of the game is on par with AAA titles.” The plot of the game is very interesting and interesting and the story is phenomenal. The characters are amazing and have a deep story. The gameplay may seem simplistic but the graphics, voice acting and animation shows that this game is certainly worth your attention.” “The writing is spectacular, as is the story. The characters are complex, their interactions are very thoughtful, and the game definitely doesn’t give a god damn about your honor. That’s what makes it particularly refreshing, especially considering the world is one of constant grey. It’s a brilliant and innovative piece of work, as befits a developer that’s staked its reputation on the ambition and creativity of its unique, improvisational gameplay.” “Lords of the Fallen: the story is compelling and the world is rich with tension and darkness. It’s just a shame it’s all contained within a rather boring gameplay loop.” “Lords of the Fallen is an action RPG with a medieval setting, and while there’s some a charm to the game, it doesn’t stick with you for long.” “The world feels different from the other open-world games that have come out in the past few years. This may be the first game I’ve played that feels a bit like a realistic fantasy setting.” “This is an RPG that is accessible to both the hardcore and the casual gamer alike, bff6bb2d33

ring nos up pro AVG virus, association myself. The game by itself has a lot of ads and also does not update. I also notice that new players get driven to the Elder's Webhome before they have a chance to get to know the world. Not a fun tactic. @ reat_DarthVader Realty his game is not being updated but it's hard to find support for it. With all due respect to the team and effort it's clear they are unable to move forward with updating it. I know they are in a poor financial situation due to the extent of their consolidation of efforts in relation to GFI / PunchLine.
