Who does not know that the Vikings were the discoverers of navigation? The Norse mythology is thus very rich in legends. Alfrida: the kingdom of the Gods The legendary king of Asgard, Alfrida was the youngest of the gods. To make him god, he had no father, and to remarry, he had no wife. Norse gods had many loves and many adventures, but nothing is known of Alfrida, who lived a long time in Asgard. Ragnarök: The end of the world There was a great feast at Asgard, and when the gods had eaten enough, Odin, the king of the gods, sat among them. Suddenly, the earth began to tremble, and the bell that rang at meals suddenly rang no more. At the same time, the light disappeared, and the earth was plunged in

darkness. Odin felt a terrible pain, and was about to die. Then Freyja, the queen of the gods, reminded him that he had promised to divide his kingdom among his three sons. Indeed, in his presence, Thor, the ruler of the gods, had divided Asgard among his brothers, the powers of Asgard. He gave to Alfarr, the youngest of the gods, this part, where they were gathered at the time. Then, while Odin was asleep, Loki, the terrible rival of Thor, did not hesitate to take the possession for himself. He took, first, Valkyrie, Odin's armourer, and Freyja. Then, he was in Asgard for some time, causing many seditions. In the end, he got d0c515b9f4
