-Play any type of games from games made for kids and adults, to action games, adventure games, board games, building games, choose-your-own-adventure games, collaborative games, escape the room games, strategy games, sports games, school games, and many others.

-Games are created using the Roblox game editor, a user-friendly tool that makes programming games as simple as drawing a picture on a piece of paper. -Games can be created by a single player or by multiple players in a Roblox multiplayer game. -A game can be played alone or with friends on your couch in a Roblox video chat and the games include text chats, voice chats, pictures, emoji, 3D objects, emojis, animations, and voice over.

-Games can be scaled so they are playable on any device including Android Tablets, Android Phones, Android Tablets, Windows Tablets, Windows Phones, Windows, Mac OS X computers, and Nintendo Features: -Create games with different themes, settings, and game objects from basic to advanced. -Design and build games with

custom-built widgets. -Design your game levels to have a unique look that fits the game. -Play and share your games with friends. -Challenge your friends through the built-in leaderboards. -Customize the appearance of your avatar with tons of different items, from skulls to hats to tattoos. -Activate interesting events by requesting items through our in-game message system. -Find and download other kids' games to make your own game even more fun. -Get rewards like Robux, and save them for unlocking more awesome items for your avatar. -Watch videos and earn prizes for watching ads and completing challenges, which you can redeem for Robux and other rewards. -Chat with other players in games and on the Roblox website. -Play with friends around the world and in different time zones. -At the official Roblox website, you can change your language to view the website in other languages. Features of Each Platform: Roblox: - Play games and create your own games. - Chat with friends and other Roblox users. - Watch videos. - Get free Robux and other rewards. - Download and play
