This Homeopathic Software is so useful that it is the best choice for you to have a better health and a better life every day. Review Homeopathic Medicines Manager is a Shareware software in category (2), developed by

Homeopathic Medicines. Checked for updates 534 times by users of our UpdateStar client application last month. The latest version of Homeopathic Medicines Manager-15.0, released on 08/10/2017. It was originally added to our database on 3/10/2018. Homeopathic Medicines Manager runs on the following operating systems: Windows. The downloadable file has a size of 9.3MB. Users of Homeopathic Medicines Manager gave it a Rating of 3 out of 5 stars Install and run the program. Enter the serial number. The program will then give you the license information, which unfortunately has expired. You will need to purchase a new license to continue using the program. If the program does not provide license information, you need to restore the serial number. To do this, go to the folder in which you saved the program and open the file "settings.ini". In the opened file find the "ProdNo" line. In it you will see the number of your serial number, which must be replaced with a new one.
