
Blaupunkt Quadro Amplifier Bqa 120 Manual

This 4-channel Blaupunkt preamp adapter cable has four RCA outputs and a switchable connector . Blaupunkt BQA 120 Quadro 4-channel power amplifier with 30W. The kit includes everything you need for a quick installation. It is compatible with any Audi/BMW/Mercedes-Benz/Porsche model. It can be connected directly to the power amplifier, but if you also want to connect it directly to the head unit, use an RCA adapter. This allows any head unit to be used in the car
