
HD Online Player ([FSX] SteveFX - DX10 Scenery Fixer V)

version 2.9 of dx10 scenery fixer is available. note: i am getting a few reports of it not running, this seems to be rare but you may want. i've also tested many of my other aircraft (payware and freeware) and have not found any issues after the running the stevefx dx10 scenery fixer software. do not download the fsx version of this software, you'll get a virus if you do. you can get the real free version.
