The Noli was published in Manila on May 24, 1883. Rizal's last name being Rizal the first name of the book. This book was initially banned by the Spanish authorities, and the customs officers seized the book from Rizal's brother. Rizal's father died on November 17, 1887. Rizal with the help of Aguinaldo met with Dr. Jose de Jesus in Tondo, Manila. This area has a big Rizal family who was strongly linked to the Tagalog people. So Rizal was a good judge of what was going on in the society. De Jesus was interested with the idea of rebellion, and this is what Rizal became interested in. This is a passion which would not let go of him throughout his whole life. De Jesus introduced Rizal to the organized people and gave him a lot of advice. One of the things that Rizal's father and the hero of this book had in common is an ardent faith in the religion which eventually led to their deaths. Rizal had the right and determination to find out what is going on. Rizal spoke to the San Miguel in Pampanga, but it was hard to get a chance with Aguinaldo. A month after the birthday of Aguinaldo, on March 21, 1896, a banquet in honor of the hero was held in Perez Dasmariñas. Aguinaldo wore the regalia of a Filipino general, and wore a military cap with feathers and a uniform coat with gold buttons. Rizal in a speech, praised Aguinaldo as a brother to the people. A few years after the death of Rizal, Aguinaldo was killed by the Spaniards. The remaining leaders of the revolution were executed. Rizal did not give up his fight to resist the Spaniards. By reading the book, many people were inspired to take up the revolution. Freedom of expression was regained when the Spanish were thrown out.

However, the revolution was short. The new government was hard working, but there was no democracy. That is what Rizal was against. The Noli has ever been a burning passion of Rizal and it was only a wonder that he gave up his life for the sake of this book. The Noli is his only novel and is quite short. It is about love and politics, the important things in life. Rizal and his wife, inspired many people to fight for freedom. The Noli was very popular in schools when it was first published, and has been translated into English, French, and Spanish. 5ec8ef588b
