The Expendables infiltrate the island and are ambushed by soldiers and Garza, who takes refuge inside a factory. Christmas and Brand fight to save Lea, but Garza kills them both. Christmas' team then comes under fire from Garza's men, and are forced to surrender after a shootout. Brand and a few teammates work their way up to Garza's hideout to take him out, but he kills them, too, before escaping. The Team meets up with Barney and Sandra and they plan to wait for the Navy and the ATF to come to kill Garza, but first they need to stay at the hotel and protect the money. The Expendables are led by their leader Barney Ross. Their cover is blown when they attack the hotel room and kill all the guards. They head out to the beach and uncover a huge set of cannon that they intend to destroy, but a few of the team's members will take a different approach. While trying to escape, the bandits get caught in their own trap and are quickly overwhelmed by the Expendables. Back at the beach, the Expendables make their escape with the Mexican's money. But their distraction has allowed Omar to disappear. The Expendables head to the nearest town, but they discover Garza and his men have abducted Sandra.
